### We are re-advertising the post of Nursery Nurse to work in our large and busy free-flow Nursery School, with children aged 3-4.

The successful applicant will be an experienced, flexible and enthusiastic team player who has a real love of working with young children. They will also be an excellent Early Years practitioner, with a strong understanding of to support and extend children's learning in a free-flow child-led environment. The Nursery School works using the system of "In the Moment Planning" so applicants should have a sound knowledge of how to plan for a learning environment that sparks children's interests and leads to open-ended, child-led learning opportunities which develop imaginative and problem solving skills, rather than planning activities which are adult-led.

The position carries Keyworker responsibilities with overall responsibility for nurturing, observing and assessing the learning of a group of children, although in a free-flow setting this is a shared responsibility as well.

Applicants should be qualified to at least Level 3 in Early Years and Childcare and have at least two years experience of working as a Nursery Nurse in a setting.

This is a term-time only post for 37 hours a week, with the possibility of work during the holiday periods if desired. The working hours will be 8.30 am to 4.00 pm Monday to Friday.

Visits to the school are warmly welcomed and encouraged. Please contact the school to arrange a visit and to receive an Application Pack.

This post is subject to an enhanced DBS clearance (in line with our commitment to safeguard and promote the welfare of our children) and also references and health checks. Only applications submitted on the WSCC (non-teaching post) application form will be considered. CVs alone will not be considered.

Closing date for applications will be: Monday 3<sup>rd</sup> December

Interviews will take place on: Friday 7<sup>th</sup> December
