- There is respect for and protection of each individual's human rights
- There is respect for the dignity and worth of each individual
- Each individual has an equal opportunity to participate in society, and
- There is mutual respect between groups based on understanding and valuing of diversity and on shared respect for equality and human rights.

It is our policy to provide equality for all, irrespective of:

Chichester Nursery School is a public provider of education and integrated services and a significant employer and holder of public funds and therefore has a duty to ensure that people from different sections of the community have equal and fair access to its services.

Chichester Nursery School is responsible for ensuring that all staff, students, sub-contractors and service providers are aware of their rights and responsibilities with regard to equality.

We are committed to the following actions in order to fulfil this policy:

- Promoting an organisation where people are treated with respect and dignity and where no form of intimidation or harassment is or will be tolerated;

CONSIDERING THE DIGNITY OF INDIVIDUALS

Equal opportunities is about treating everyone fairly and ensuring that services and facilities are accessible to all. It encompasses the methods of work, attitude and behaviour of all individuals. Chichester Nursery School will operate a 'zero tolerance' to any infringement of its equality and diversity policy and procedures.

All unlawful acts of victimisation shall be treated as disciplinary offences. Individuals can be held personally liable for acts of discrimination and/or victimisation which they commit, authorise, contribute to or condone. In serious cases, this may lead to dismissal.

Chichester Nursery School will treat all pupils with dignity, respect and as individuals in the provision of access to facilities, learning opportunities and support.

DEALING WITH DISCRIMINATION

Chichester Nursery School will ensure that every support and assistance is provided to those who consider they have been a victim of discrimination, or victimisation.

A broader statement of how Chichester Nursery School supports equality and diversity in employment is contained in West Sussex County Council Model School Policy Statement on Equality and Diversity in Employment at Annex A of this policy, which is adopted and will be reviewed at the same time as this policy.

RADICALISATION AND THE PREVENT AGENDA

At Chichester Nursery School we celebrate our own British culture and values, as well as the richness that people of different ethnic backgrounds bring to our Community. However, we are also aware that there is a possibility that some people may hold such radical views that these present a threat to the freedom of others. School staff will be vigilant to the expression of such views and report them to the Headteacher at once, who will take appropriate action, as recommended by West Sussex County Council.
